UNITED STATES DISTRICT COURT
DISTRICT OF NEVADA

* * *

Ryan Q Claridge,

Plaintiff,

v.

I-Flow Corporation, et al.,

Defendants.

Case No. 2:18-cv-01654-GMN-BNW

Order

The Court reopened discovery in this matter this past April for the limited purpose of allowing the parties to issue subpoenas to 17 entities identified in the parties' stipulation. ECF No. 286. However, the Court did not set a deadline for discovery to close or for the parties' joint pretrial order. Now, the Court requests a status update on the parties' discovery efforts. The Court, further, reminds the parties that the June 30, 2021 deadline for dispositive motions is approaching. ECF No. 263 at 2. No motion or stipulation to continue this deadline is pending on the docket.

IT IS THEREFORE ORDERED that a status report regarding discovery is due June 14, 2021. The status report must propose a date for discovery to close.

IT IS FURTHER ORDERED that the parties' joint pretrial order is due July 30, 2021. If the parties file dispositive motions in accordance with the scheduling order, then the deadline for the joint pretrial order is suspended up to and including 14 days after the district judge's order resolving all dispositive motions.

IT IS SO ORDERED.

DATED: June 8, 2021.

UNITED STATES MAGISTRATE JUDGE
